

TOWN OF BRAINTREE

IN COUNCIL

ORDER NO: **09-015**

DATE: MAY 12, 2009

ORDERED: NATIONAL GRID

PETITION OF NATIONAL GRID FOR GAS MAIN LOCATIONS

The National Grid hereby respectfully request your consent to the locations of mains as hereinafter described for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the Town of Braintree and the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company; and the digging up and opening the ground to lay or place same:

To install and maintain approximately 550 feet, more or less of 2 inch gas main in President Road, Braintree.

From the existing 2 inch gas main at Stedman Street and School Street West Northerly to 108 President Road all of which to replace and abandon the existing 1 ½ inch gas main in President Road, Braintree.

Petition #09-015 was unanimously approved by Council with the following conditions:

- A. President Road has been resurfaced within the last six years. It was a complete reconstruction project that included early utility coordination opportunities where if really needed, the replacement of the gas main could have been accommodated without digging up a "new" road. The gas company at that time elected to do nothing. Even during construction, when Engineering Division personnel notified gas company representatives of gas odors in the area, no replacement plan or other response was initiated. We are now presented a proposal that would, without proper remediation, rapidly accelerate deterioration of the roadway pavement. Therefore the petition should only be approved on the condition that **the full length of President Road affected by the trench work be milled and overlaid 1 ½ inches deep by the petitioner within 1 year of the installation of the gas main, but not less than 3 months after placement of a neat 4 inch deep hot mix trench repair.**

Passed in Council – June 9, 2009

A True Copy, Attest:

ORDER FOR GAS MAIN LOCATION

Town of Braintree / Board of Selectmen:

IT IS HEREBY ORDERED that the locations of the mains of the Nationalgrid for the transmission and distribution of gas in and under the public streets, lanes, highways, and places of the **Town of Braintree** substantially as described in the petition dated May 12, 2009 attached hereto and hereby made a part hereof, and of the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and/or accomplish the objects of said Company, and the digging up and opening the ground to lay or place same, are hereby consented to and approved.

The said Nationalgrid shall comply with all applicable provisions of law and ordinances of the **Town of Braintree** applicable to the enjoyment of said locations and rights.

Dated this 11th day of June, 20 09.

I hereby certify that the foregoing order was duly adopted by the Braintree Town Council of the City of Braintree, MA on the 9th day of June, 20 09.
